Fiscal Year 2008 appropriations include funds for the following items:

1. \$31,182,000 for planning, design, renovation, and construction of a new 100,000 square foot Ellis Fischel Cancer Center on the Columbia campus. The new center will provide expanded services to cancer patients, allow for the delivery of high-quality, comprehensive cancer care, and increase the capacity of cancer clinics.
2. \$15,000,000 for completion of the remaining 63,000 square feet of shell space within the Pharmacy and Nursing Building on the Kansas City campus. The completed building will include classroom and clinic laboratory space for the Schools of Nursing and Pharmacy, and space for new educational and instructional areas equipped with state-of-the-art classroom and clinical simulation laboratory capabilities.
